STRAND'S NURSERY

GEO. W. STRAND, PROPRIETOR

TAYLORS FALLS, MINN.

Take a Tip

From Those Who Know

For over 25 years we have by direct dealing (no agents) supplied thousands of patrons with the best of stock for this section at right prices. We haven't accumulated a fortune, but their good wishes, appreciation of service, and the continued growth of our business speaks for itself.

While I lived in Minnesota I sent to you a list of trees and shrubs and was satisfied that I wish to try some here.—F. B., Eastside, Oregon, 10-22-25.

I used your stock in Canada and you also sent me a bundle to New South Wales, which some months ago were growing strongly. Have never seen the equal of your prices and quality.—C. F. S., Somerset, England, 10-3-25.

You will note my stationery "Evergreen Farm." My evergreens were seedlings bought from you years ago and they are getting to be some fancy trees now.—F. H., Edinburg, N. D., 3-14-25.

Shrubs are doing fine, so I am going to try another lot. I was delighted the way they were packed—they got here in first-class shape.—D. W., Carbon, Alberta, Canada, 4-15-25.

I am well pleased. Goods are double the quality at half price. Your 35c Spiraeas are better than we paid agents 75c for.—Mrs. M. Q., Litchfield, Minn., 4-24-25.

We bought 50 trees from you about 5 years ago and all are growing fine. I am going to plant some more next spring.—A. M. E., Curtis, Wisconsin, 4-23-25.

I appreciate more than words can tell the stock and extras. Expect to have another order next spring.—E. R., Chehoygan, Michigan, 7-3-25.

Received plants in good shape and am very well pleased. Will plant more this fall.—A. M. S., Aberdeen, Wash., 4-15-25.

THIS PRICE LIST covers in condensed form the best hardy fruits and ornamentals adapted to this section. If further information is wanted Our Descriptive Catalog and Landscape Suggestions will be mailed on request.

YOUR EARLY ORDER HELPS to give you the best of service; insures early delivery and the best of assortments. After our rush begins we cannot give your inquiries the personal attention they merit.

WE GUARANTEE SAFE DELIVERY. Large and small orders alike receive our personal supervision. If our 25 years experience means anything to you—we know that our STOCK, SERVICE and PRICES will commend themselves.

STOCK THAT WILL GROW AND PLEASE AT RIGHT PRICES is what we aim to supply and we hope to merit your patronage if you need anything in that line.

Yours truly,

Geo. W. Strand

STRAND'S NURSERY

EVERGREENS

SPECIAL—25 Evergreens (our selection), \$5.00 not prepaid.

SPECIAL—4 Evergreens (our selection), 6 to 12 in., \$1.00, prepaid.

SPECIAL—2 Evergreens (our selection), 12 to 18 in., \$1.00, prepaid.

Our evergreens are dug from heavy soil (which adheres to the roots better in handling), and as these have all been transplanted one or more times they should grow and please. With expensive and rare sorts, digging with a ball of earth and burrlapping each separately (B. & B.) is warranted caution. We make an added charge for this of 15c for 12 to 18 in., 20c for 18 to 24 in.; 25c for 2 to 3 ft.; 35c for 3 to 4 ft.; 50c for 4 to 5 ft.; 75c for 5 to 6 ft. Selected Specimens, 25 per cent Additional.

\$5.00

25 ROSES SHRUBS, VINES

Just the assortment that will please anyone interested in "dressing up" the home grounds.

\$5.00

20 EVERGREENS

Tell us what you would like to use them for—hedge, windbreak, grove or ornamentals—and we will forward an assortment or all of one variety, which should do well in your section. These are all transplanted, 12-inch and well rooted. With reasonable care they are sure to grow.

\$5.00

20 ORNAMENTAL TREES

A choice assortment that will prove hardy and desirable in your location. Worth many times the price for improving the place.

\$5.00

50-FOOT HEDGE

We grow large quantities of hardy shrubs that are admirably adapted for this purpose, and will be pleased to quote prices or reply to inquiries regarding same. A hedge not only will add much to the attractiveness of property, but may be useful as a screen, windbreak or division. Many shrubs require little or no attention to keep them in the desired form, while others must be sheared. If you will tell us the length, height desired to keep same at, location or position and class (evergreen, foliage or flowering), we will cheerfully suggest what we think would please you best. Plant most sorts about 18 inches apart.
